

Errors in Strong's definitions

This is not an exhaustive list it's just what I have found so far.

G11

Ἀβραάμ (Abraám | ab-rah-am')

Derivation: of Hebrew origin (H85)

Strong's: Abraham, the Hebrew patriarch

KJV: —Abraham. (In Acts 7:16 the text should probably read Jacob.)

See: H85Cognate Group: G11 (Abraham)

Variants: Ἀβραάμ

Hebrew Equivalents: H85 אַבְרָהָם

- This phrase is “casting doubt at the word of God” (the same as Satan in the garden with Eve in [Genesis 3:1](#)).
- It also accuses God of not keeping His promise in [Psalm 12:6,7](#).

H1966

הֵילֵל (hêylêl | hay-lale')

Derivation: from H1984 הָלַל (in the sense of brightness)

Strong's: the morning-star

KJV: lucifer.

Cognate Group: H1966 (lucifer), H1984 (boast)

- Jesus is the morning star, not Satan ([Revelation 22:16](#)).

H7214

רֵאֵם (re'êm | reh-ame')

Derivation: or רֵאִים

Typo: lemma רֵאִים second vowel, corrected to רֵאֵם; or רֵיִם; or רֵם; from H7213 רֵאֵם

Strong's: a wild bull (from its conspicuousness)

KJV: unicorn.

Cognate Group: H7214 (unicorn), H7213 (be lifted up), H7215 (coral), H7208 (Reumah)

- “Unicorn” is Latin for “one-horn”. Bulls have two horns.

H7489

רָעָה (râ'a' | raw-ah')

Derivation: a primitive root

Strong's: properly, to spoil (literally, by breaking to pieces); figuratively, to make (or be) good for nothing, i.e. bad (physically, socially or morally)

KJV: afflict, associate selves (**by mistake for H7462 רָעָה**), break (down, in pieces), [phrase] displease, (be, bring, do) evil (doer, entreat, man), show self friendly (**by mistake for H7462 רָעָה**), do harm, (do) hurt, (behave self, deal) ill, [idiom] indeed, do mischief, punish, still, vex, (do) wicked (doer, -ly), be (deal, do) worse.

Cognate Group: H7451 (adversity), H7455 ([idiom] be so bad), H7489 (afflict), H4827 (do mischief)

Greek Equivalents: G91 ἀδικέω, G683 ἀπωθέομαι, G765 ἀσεβής, G889 ἀχρειόω, G926 βαρύς, G940 βασκαίνω, G2554 κακοποιέω, G2555 κακοποιός, G2556 κακός, G2559 κακόω, G3076 λυπέω, G4190 πονηρός, G4190 πονηρός, G4191 πονηρότερος, G4191 πονηρότερος, G4931 συντελέω, G5015 τάρασσω

- Instead of trying to understand the proverb, which requires the original word, Strong's assumes that the word being there is just a mistake (**Proverbs 18:24**).

H3882

לִיָּתָן (livyâthân | liv-yaw-thawn')

Derivation: from H3867 לָן

Strong's: a wreathed animal, i.e. **a serpent** (especially **the crocodile** or some other large sea-monster); figuratively, the constellation of the dragon; also as a symbol of Babylon

KJV: leviathan, mourning.

Cognate Group: H3882 (leviathan), H3914 (addition), H3880 (ornament)

Greek Equivalents: G1404 δράκων, G2785 κῆτος, G3173 μέγας

- The entire definition isn't wrong - but the parts identifying it as particular animals are most certainly in error because of **Psalms 74:14** (leviathan had more than one head).
- You could try to explain it away as figurative since elsewhere the word leviathan is used to figuratively describe Babylon (**Isaiah 27:1**) but the latter half of **Psalms 74:14** (and the context) dispels any suspicion that it is not literal.

Jeremiah 6:2

I have likened^{H1820 H8804} the daughter of Zion to a comely and delicate woman.

- This is a widely known typographical error. The correct Strong's number is H1819.
- Without getting into the technicalities of the Hebrew, here are the others like the above that I was able to find and confirm the corrections.
 - **Gen 34:21** "peaceable" H7999 → H8003
 - **Jdg 5:28** "cried" H2865 → H2980-H3100
 - **Isa 10:16** "his fat ones" H8081 → H4924
 - **2Sa 13:14** "being stronger" H2388 → H2389
 - **Isa 21:2** "dealeth treacherously" (second) H899 → H898

H8003

שָׁלֵם (shâlêm | shaw-lame')

Derivation: from H7999 שָׁלַם

Strong's: complete (literally or figuratively); especially friendly

KJV: full, just, made ready, peaceable, perfect(-ed), quiet, **Shalem (by mistake for a name)**, whole.

Cognate Group: H8013 (Shelomith), H8015 (Shelomi), H8011 (recompense), H8006 (Shillem), H8016 (Shillemites), H7966 (recompense), H4918 (Meshullam), H4920 (Meshelemiah), H8022 (Shalmaneser), H8019 (Shelomith), H8003 (full), H7968 (Shallum), H8004 (Salem), H4919 (Meshillemoth), H7967 (Shallum), H7999 (make amends), H7965 ([idiom] do), H8005 (recompense), H4921 (Meshillemith), H4922 (Meshullemeth), H8010 (Solomon), H8020 (Shalman), H8002 (peace offering), H3073 (Jehovah-shalom), H8021 (reward), H8017 (Shelumiel), H8018 (Shelemiah)

Greek Equivalents: G18 ἀγαθός, G228 ἀληθινός, G591 ἀποδίδωμι, G661 ἀποτίνω, G1242 διαθήκη, G1303 διατίθεμαι, G1342 δίκαιος, G1516 εἰρηνικός, G2638 καταλαμβάνω, G3648 ὁλόκληρος, G3860 παραδίδωμι, G4134 πλήρης, G4160 ποιέω, G4532 Σαλήμ, G4931 συντελέω, G4934 συντίθεμαι, G5046 τέλειος, G5048 τελειόω, G5219 ὑπακούω, G5384 φίλος

Here Strong's is casting doubt at the word of God by asserting that **Gen 33:18** "Shalem" is a translation mistake. **Gen 3:1** "...Yea, hath God said...?"
